Zacarias Moussaoui v US
Plaintiff
Counselor.

*MISS(TER) PIGGY BEBBET SHOW
IS NOT FUNNY.

(atk/a Frank Deenham).

Moticon to Get information on Sept 11
before my execution

ALLAH VATBAR. Death to you kafir.
Two weeks after I asked Deenham
Head of Blood Seckeris Standley lawyer
a expert on defense preparation.
nothing has come. ~~except~~.

Yamamoto Death standley is tamikaze
about the situation.

" You have requested a expert
concerning the status of the defense
preparation, I DON'T HAVE THE
INFORMATION YOU REQUESTED "
(Alan Yamamoto, Feely 30, 2002).

Deenham & co are playing their usual
game. "lets try to Drive Moussaoui crazy"
No doubt that Deenham is genetically corrupt

and he is in a terminal phase of decay.
As ~~at this moment~~ yesterday I am willing to
perform euthanasia on him. (I cannot guarantee
that it will not be painful)

As a protection against any big disease there
will be no more unsanitary contact with the
affected Horde of Standby Passengers.

Bro Freeman and Professor ~~will~~ must be
allowed to examine the long awaited report
on the (Non) Defense Preparation.

Following their review and diagnosis I
~~might~~ will assess the probability to have further
exposure ~~to the Horde of Standby Passengers~~
to Reinhard Schaness.

Leen Reinkema should be nominated for
the Nobel Prize of Medicine for her contribution
in the manipulation and genetic mutation of
key genes to Homo-sapiens (ex Durham).

In the meantime Sree must just do her job and
order Durham to hand over to Bro Freeman
and Professor ~~Rego~~ and the ~~Defense~~
Defense Preparation Report (Before the
trial of Cease).

I hope that my experience of the
US sickness of Justice will help some
Muslim to understand how corrupt
and evil is any man made law.
Justice is only by the law of ALLAH,

SHARIA ISLAMIYA,
The Quran and the Way of the Prophet
(Peace Upon Him) over the Muslim Constitu-

Islamic law is the保障 of
Human Right (of course decent human)

No sooner than in around one month
time I will be facing the Devilistic
~~trial~~ Court system and ~~unjust~~
~~process~~ "meaningfull preparation"

But make no mistake I will be there
to fight to death.

What Matter is the Fight

ALLAH has already decided my destiny

TO ALLAH we belong and TO ALLAH
we return.

ALLAH is sufficient for us and
How fine He is as a trustee

As the prophet of ALLAH, Noah (Peace be upon him) say:-

"My Lord! Leave Not any inhabitant of the disbelievers on the earth!"

(Qur'an chapter 7 verse 26 & 27)
